WHY CAP?

CAP was conceived to provide qualifying under-resourced Community Stakeholders with a **social enterprise partner**, and level the community development playing field through the convergence of Community-Vision Solutions' (C-VS) deep networks, business expertise, and advocacy agenda. CAP AREAS OF FOCUS

- Affordable Housing development
- Green economic development
- Creative/Arts community empowerment

HOW DOES CAP WORK?

CAP is a **collaborative** model for change between C-VS and a coalition of distinguished cross-sector professionals and change agents, providing efficient, coordinated support and services necessary to meet the Community Stakeholder's development, funding and mission objectives.

Through CAP, C-VS acts as a **hub connecting capital access, direct services experts, and local stakeholders**.
